DRIVERS EDUCATION

This class is provided by Tri County Driving School and is taught at Wrightstown High School. Students must be attending WHS. Visit <http://www.tricountydrivingschoolinc.com/> for information. They handle all class registration and payments.

WORK PERMIT INFORMATION

As you may have heard, the Department of Workforce Development's Equal Rights Division has developed a new online work permit application tool. The Division carefully considered the lessons of the past few years, when pandemic restrictions made it nearly impossible for some minors to obtain work permits and decided to pursue an online application that would be available to the parents of minors 24 hours a day, 7 days a week from any computer, tablet, smartphone, or similar device. The application improves accessibility for minors who live in rural or underserved areas and eliminates the difficult logistics involved in working parents having to take off work to make a trip to a work permit office.

Parents can access the site [using these instructions](#). Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.

Battle of the Books

Anyone with interest in Battle of the Books, please stop in the library to chat with Mrs. Haese. Battle of the Books runs from October-February for groups of up to 4 students. It's a fun state-wide competition where you can show off your reading skills! Grab some friends and come for a battle!!!

Students Stopping Crime is a way for students to anonymously report on activities (including weapons, drugs, alcohol and bullying) that impair their schools safety environment or threatens their personal safety or that of other students.
