## Opportunities to Volunteer in our Community

Safe Families for Children Northeast Wisconsin is a 501(c)(3) designed to provide support networks to isolated families by connecting them to a caring and compassionate community. The mission is to support and stabilize families, prevent child abuse and neglect, and reduce the number of children entering the child welfare system

Our volunteers provide support for families:

- Experiencing a medical emergency
- Struggling with unemployment
- Experiencing homelessness
- Participating in substance abuse rehabilitation
- Attending inpatient mental health treatment
- Who identify as isolated/alone during a crisis

If you are interested in becoming a volunteer, please contact Melissa Viste at [Viste@wrightstown.k12.wi.us](mailto:Viste@wrightstown.k12.wi.us). You can make a difference in the lives of the children in our community!

## WORK PERMIT INFORMATION

As you may have heard, the Department of Workforce Development's Equal Rights Division has developed a new online work permit application tool. The Division carefully considered the lessons of the past few years, when pandemic restrictions made it nearly impossible for some minors to obtain work permits and decided to pursue an online application that would be available to the parents of minors 24 hours a day, 7 days a week from any computer, tablet, smartphone, or similar device. The application improves accessibility for minors who live in rural or underserved areas and eliminates the difficult logistics involved in working parents having to take off work to make a trip to a work permit office.

Parents can access the site [using these instructions](#). Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.

## SCHOOL COMMUNITY CLOSET

All students in 12th. grade are reminded that it is now a requirement to either have your first dose of the MENINGOCOCCAL VACCINATION OR A BOOSTER DOSE if you were already vaccinated once. This needs to be done by October 11, 2024 or a waiver must be turned in to the health office signed by a parent.

**Is your child college ready?** Students who work with a career coach are typically more confident in their decision to attend college and leave with a clearer idea on their next steps. Wrightstown High School would like to welcome back **Carla Zellmer** from NWTC in her fourth year with us. She will compliment the high school counselors with being the technical college guru, but also supporting students with post-secondary planning. Along with the high school counselors, Carla can help students with career and program exploration, program shadows, application process, financial aid, and discussing the transition to NWTC.

**In Partnership with Northeast Wisconsin Technical College Carla Zellmer will be available to students every Tuesday on school days from 8:00 am to 2:00pm in the Counseling Services Office.**

Students can schedule an appointment by stopping in the Counseling Office to book an open time slot, directly contact Carla through email, [carla.zellmer@nwtc.edu](mailto:carla.zellmer@nwtc.edu), or send a text message to 920-498-5489 to set up an appointment.

**About Carla:** Carla is originally from Stevens Point, WI, but transitioned to Northeast WI to complete her *BA at Lawrence University as a History major*. She later received an *MS degree in Educational Leadership from Fielding University*. Carla brings 16 years of experience working in education and is passionate about student success. She looks forward to working with students in our counseling services office the remainder of the school year.
